

Ronald Wuijster appointed CEO of Anthos Fund & Asset Management

- Ronald will join Anthos as CEO on 10 August 2026, succeeding Jacco Maters who is stepping down as of the same day after eight successful years.
- Previously, Ronald spent almost 20 years at APG Asset Management, including eight years as CEO.
- Anthos Fund & Asset Management is a values-based asset manager and part of COFRA Holding AG.

Amsterdam, The Netherlands, 10 July 2026 – The Supervisory Board of Anthos Fund & Asset Management (Anthos) today announces the appointment of Ronald Wuijster as Chief Executive Officer, effective from 10 August 2026. The appointment is subject to regulatory approval from the Dutch Authority for the Financial Markets (AFM).

Ronald brings more than 30 years of international investment management experience, with a strong focus on long-term investing and responsible stewardship. Over the past eight years, he served as CEO of APG Asset Management, where he oversaw more than €600 billion of assets under management.

In addition to his executive experience, Ronald currently serves on the supervisory board of the Dutch Culture Fund and previously chaired the Dutch Fund and Asset Management Association.

Ronald succeeds Jacco Maters, who is stepping down after eight successful years as CEO.

Leen Meijaard, Chairman of the Supervisory Board of Anthos Fund & Asset Management, said: *“Ronald is a proven leader. His experience in building out a leading private investment platform and investing with future generations in mind will be invaluable to Anthos as it enters its next phase of growth.”*

Jacco’s strong leadership since 2018 has positioned Anthos well for the future. We are grateful for his contribution and wish him every success in what comes next.”

Boudewijn Beerkens, CEO of COFRA Holding, said: *“Ronald brings real breadth in asset management, having previously served as CEO, CIO and CCO at APG Asset Management. We look forward to working closely with him as Anthos continues to advance its mission to provide comprehensive values-based asset management and investment advisory services to select, like-minded clients.”*

Ronald Wuijster, incoming CEO of Anthos Fund & Asset Management, said: *“I am excited to take on the role of CEO at Anthos, a firm I have long admired for its rigorous approach towards achieving values-based outperformance, underpinned by trusted relationships built through an asset-owner mindset. I look forward to working with colleagues and clients to build on Anthos’ strong foundations for the future.”*

About COFRA Holding

COFRA Holding AG is a privately held group, headquartered in Switzerland, with operations in Europe, the Americas and Asia. COFRA has a diverse portfolio of investment businesses in asset management (Anthos Fund & Asset Management), private equity (Bregal Investments) and real estate (Redevco). Businesses and investments are also held in retail, clean energy and sustainable food. Through business, COFRA strives to be a force for good in the world – a mission that has characterised the Brenninkmeijer family owners’ activities for six generations, since the founding of C&A in 1841.

About Anthos Fund & Asset Management

Anthos Fund & Asset Management (Anthos) is a values-based asset manager that advises and invests for institutional investors who want to create bigger impact together. As a certified B Corp, we strive to do this by responsibly managing capital in line with the values of sustainability, human dignity, and good corporate citizenship, underpinned by robust, responsible and impact investment principles.

Anthos was founded nearly 100 years ago to manage the assets of the Brenninkmeijer family and their businesses. We welcome like-minded investors to join us. Based on a tradition of purpose, excellence, collaboration, client focus and passion, our approach has a long-term track record of outperforming benchmarks while contributing to the common good.
